About Multisoft

Train yourself with the best and develop valuable in-demand skills with Multisoft Systems. A leading certification training provider, Multisoft collaborates with top technologies to bring world-class one-on-one and certification trainings. With the goal to empower professionals and business across the globe, we offer more than 1500 training courses, which are delivered by Multisoft's global subject matter experts. We offer tailored corporate training; project Based Training, comprehensive learning solution with lifetime e-learning access, after training support and globally recognized training certificates.

About Course

AFT Fathom Training by Multisoft Systems is designed to equip engineers and technical professionals with comprehensive knowledge of fluid dynamics and piping system analysis. AFT Fathom is a powerful software used for modeling incompressible flow in pipe networks, helping engineers evaluate system performance, troubleshoot operational issues, and optimize designs.

Topics

- ✓ Introduction
- ✓ Model pumping systems
- ✓ Pump and valve sizing
- ✓ Incompressible flow hydraulic theory
- ✓ Use scenario manager
- ✓ Troubleshoot models
- ✓ Introduction to add-on modules
- ✓ Network solution methodology
- ✓ Understanding solution control
- ✓ Sizing control valves
- ✓ Modeling systems with heat transfer
